

*Bramham Neighbourhood Plan Steering Committee*

## **YOUR CHANCE TO HELP INFLUENCE THE FUTURE OF BRAMHAM**

Leeds City Council (LCC) has published a consultation paper on proposed development sites for housing development, retail, employment and green space throughout the City. Amongst the paper there is a section on housing proposals in our area and this includes a potential site of 3,000 houses at Spen Common Lane which would create a significant new settlement within the Green Belt. You are invited to comment on this and other sites and put forward your views.

The consultation process informs LCC on the views of residents so it is very important to take part in this. The Bramham Neighbourhood Plan Steering Committee is encouraging residents to give their views on this and other proposals to LCC and to us. LCC consultation closes 29 July.

We will be issuing more detailed information in a door drop, with a response form for your views, and you can also call in at various venues around the City to find out more. These venues are listed on the Leeds City Council website.

**We are also holding Drop in sessions for residents on Friday July 5th from 4pm to 8pm and Saturday July 13<sup>th</sup> from 2.30pm to 4pm in the Village Hall Supper Room, where you can find out more about the proposals and the consultation process.**

More information is available on the Parish Council website ([www.thisisbramham.co.uk](http://www.thisisbramham.co.uk)), under news items and the link to the Neighbourhood plan website

You can access the LCC consultation paper on [www.leeds.gov.uk/siteallocations](http://www.leeds.gov.uk/siteallocations)
